Lunch Information

*Child care provided during all platforms

The Board has called for a simplification to the lunch program. The alphabetical lunch groups will remain in charge of their various weeks, but do not need to provide much (or any) food. We will be purchasing trays of bagels and spreads. Someone from the group will still need to get cream for the coffee. Groups will still be responsible for set-up & clean-up.

On our first platform, September 11, the Board will provide the food and the first & second Sunday groups will be responsible for set-up & clean-up.

On September 18, we will have a nice pot-luck. Everyone will be asked to bring food and help with set-up and clean-up.

We hope to have numerous pot-lucks, but to remove much of the burden of cooking from the experience. We ask our members to contribute in many ways; this is one way we can ease the load.
